

ANTI-DUMPING NOTICE No 2026/101

Dumping Investigation No 699 in relation to Titanium dioxide

Exported from the People's Republic of China

Extension of time granted to issue the Statement of Essential Facts and Final Report

Customs Act 1901 – Part XVB

The Commissioner of the Anti-Dumping Commission (the Commissioner) has extended the due date to publish the Statement of Essential Facts (SEF) and provide the final report and recommendation to the Minister about the above case.¹

New milestone dates

SEF – The SEF is now due to be placed on the public record on, or before, **6 April 2027**.

Response to SEF – Interested parties are invited to make submissions in response to the SEF within 20 days of the SEF being placed on the public record.

Final Report – A recommendation to the Minister will be made in a final report which is now due on, or before, **3 June 2027**.

The previous due date for the SEF was 18 August 2026. The previous due date for the final report was 2 October 2026.

¹ They do so under section 269ZHI(3) of the *Customs Act 1901*. On 19 January 2017, the Parliamentary Secretary to the Minister for Industry, Innovation and Science delegated the powers and functions of the Minister under section 269ZHI of the Act to the Commissioner. See Anti-Dumping Notice 2017/10 for further information.

Basis for extension

I, Isolde Lueckenhausen, am the Deputy Commissioner Investigations, Anti-Dumping Commission (the commission). I requested the extension of the due date to publish the SEF and to provide the final report and recommendation to the Minister.

I requested the extension to allow time for the commission to gather and analyse further information and because of the commission's changing operational requirements.

Further information and enquiries

The commission's website (www.adcommission.gov.au) contains all public records for commission cases. The public record for each case includes the initiating notice and also notices of any previously granted extensions of time.
