

Customs Tariff (Anti-Dumping) Act 1975

Certain railway wheels

Exported from the People's Republic of China and France

Notice pursuant to subsection 8(5) of the Customs Tariff (Anti-Dumping) Act 1975

I, KAREN ANDREWS, Minister for Industry, Science and Technology, having decided to issue a notice pursuant to subsection 269TG(1) and subsection 269TG(2) of the *Customs Act 1901* in respect of certain railway wheels described in that notice (the goods), **DETERMINE**, pursuant to subsection 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the interim dumping duty payable on the goods is an amount worked out in accordance with the combination of fixed and variable duty method, specified in subsection 5(2) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

Pursuant to subsection 8(5B) of the Dumping Duty Act, I have had regard to the desirability of fixing a lesser amount of duty. If the non-injurious price of goods of that kind as ascertained or last ascertained for the purposes of the dumping duty notice is less than the normal value of goods of that kind as so ascertained, or last so ascertained, a lesser amount of interim dumping duty is fixed such that the sum of:

- the export price of goods of that kind as so ascertained or last ascertained; and
- the interim dumping duty payable on the goods;

does not exceed the non-injurious price of goods of that kind as ascertained, or last ascertained.

This notice applies to the goods and like goods entered for home consumption on and after 19 June 2018.

Dated this 12th day of July 2019

KAREN ANDREWS
Minister for Industry, Science and Technology
