

IMPORTER QUESTIONNAIRE

CERTAIN ALUMINIUM EXTRUSIONS

EXPORTED TO AUSTRALIA FROM THE PEOPLE'S REPUBLIC OF CHINA

The Commissioner of the Anti-Dumping Commission (the Commissioner) has initiated a review of the anti-dumping measures (in the form of a dumping duty notice and a countervailing duty notice) applying to certain aluminium extrusions (the goods) exported to Australia from the People's Republic of China (China). The review will examine whether the variable factors (export price, normal value, non-injurious price and the amount of countervailable subsidy received) relevant to the taking of the anti-dumping measures have changed.

ADN No. 2018/111 outlines the details of this review. The procedures to be followed during reviews can be accessed on the Commission's website at www.adcommission.gov.au.

This questionnaire seeks information in relation to your imports and sales of aluminium extrusions exported to Australia from the People's Republic of China (China).

This information will be used to assist in determining whether the variable factors relevant to the taking of the anti-dumping measures should be varied.

This questionnaire comprises of three parts:

<u>Part A</u>	Company and overseas supplier information	Return as quickly as possible but no later than 19 July 2018
<u>Part B</u>	Imports and forward orders	Return as soon as possible after receiving the Commission's detailed spreadsheets but no later than 2 August 2018
<u>Part C</u>	Sales and expenses	

The timeliness of your response is important. The Commissioner must consider the direction from the Minister for Industry, Innovation and Science as set out in the *Customs (Extensions of Time and Non-cooperation) Direction 2015* (the Direction). More details on this direction are explained in Anti-Dumping Notice 2015/129, available on the Commission's website at www.adcommission.gov.au.

Describe the role of your company in the Australian market for aluminium extrusions – for example, buying or selling agent, importer/distributor, importer/wholesaler, importer/retailer or importer/end-user.

KAU is a sales agent in Australia promoting and marketing the aluminium extrusions produced by Tai Shan City Kam Kiu Aluminium Extrusion Co. Ltd. (“KAE”)

From 1 July to 31 December 2017, KAE exported the subject merchandise to Australia through one of its related companies, Kam Kiu Aluminium Products Sdn. Bhd. (“KMY”). During this period, KAU, as the sales agent, handled all kinds of logistic and customer services on KMY’s behalf.

Under our group restructuring on 1 January 2018, Kam Kiu (Hong Kong) Limited (“KHK”) replaced KMY as the exporter of KAE’s product to Australia. As a result, during the first half year of 2018, KAU played the same role but acting on KHK’s behalf.
