## **ANTI-DUMPING NOTICE NO. 2019/148**

### **Steel Reinforcing Bar Exported to Australia from the Republic of Turkey Future Resumption of an Investigation (Investigation No. 495)**

*Customs Act 1901 – Part XVB*

#### **Purpose**

I, Dale Seymour, the Commissioner of the Anti-Dumping Commission, advise all interested parties that the investigation in relation to the alleged dumping and subsidisation of steel reinforcing bar (the goods) exported to Australia from the Republic of Turkey (Turkey) will be resumed after the publication of a new Statement of Essential Facts (SEF).

#### **Background**

On 20 June 2019, I terminated the investigation into the alleged dumping and subsidisation of the goods exported to Australia from Turkey. Further details of the reasons for the termination decisions can be found in Anti-Dumping Notice (ADN) No. 2019/80 and *Anti-Dumping Commission Termination Report No. 495*.<sup>1</sup>

The applicant for the investigation, InfraBuild (Newcastle) Pty Ltd (formerly, Liberty OneSteel (Newcastle) Pty Ltd), subsequently lodged an application with the Anti-Dumping Review Panel (ADRP) for a review of my termination decisions. Subsection 269ZZN(b) of the *Customs Act 1901* (the Act) provides that the ADRP is able to review my decision, and subsection 269ZZT(1) of the Act indicates that the ADRP may either affirm or revoke a termination decision.

On 27 September 2019, the ADRP revoked my termination decisions. The ADRP's reasons for revoking the termination decisions are available at [www.industry.gov.au](http://www.industry.gov.au).

#### **Resumption of Investigation**

Subsection 269ZZT(2) of the Act states that, as soon as practicable after the reviewable decision has been revoked, I must publish a SEF.<sup>2</sup> Following the publication of the SEF, the investigation resumes. I will provide 20 days within which to make submissions in response to the SEF, and I will then provide a report to the Minister for Industry, Science

and Technology with my recommendations on whether to publish a dumping duty and/or countervailing duty notice (unless the resumed investigation is terminated earlier).

The date of the publication of the SEF will depend on the outcome of my consideration of the ADRP's report and the Commission's advice regarding what further work is necessary to address the issues identified by the ADRP.
