Meeting with OneSteel Manufacturing Pty Limited

The Anti-dumping Commission (Commission) held a teleconference with representatives from OneSteel Manufacturing Pty Limited (OneSteel) and a summary of the information requested and discussion is outlined below:

1. How OneSteel set their pricing for their customers, including their related party entity; and
2. OneSteel's import parity pricing (IPP) model along with price offers during the inquiry period. The Commission requested evidence of the IPP model for four customers during certain months of the inquiry period including price offers in the market.
