

## **Continuation No. 504**

### **Power Transformers exported to Australia from the Republic of Indonesia, Taiwan and the Kingdom of Thailand**

#### **Note for file**

#### **Meeting with Powerlink Queensland**

The Anti-Dumping Commission (the Commission) conducted a teleconference with representatives from Powerlink Queensland on 12 June 2019 in relation to the Commission's continuation inquiry into power transformers exported to Australia from the Republic of Indonesia, Taiwan and the Kingdom of Thailand.

The following issues were discussed during the teleconference:

- the factors the Commission takes into consideration during a continuation inquiry, including how the Commission assesses injury to the Australian industry producing like goods;
- the power transformer market in Australia; and
- the factors taken into consideration by Powerlink Queensland in its power transformer procurement decision making.
