Dear Mr O'Connor

ACCELERATED REVIEW 514- FOSHAN MINGHUA DOORS & WINDOWS ALUMINIUM CO., LTD

I refer to Capral Aluminium's (Capral) response dated 21 June 2019 to the initiation of Accelerated Review 514 - Foshan Minghua Doors & Windows Aluminium Co., Ltd (Foshan Minghua).

Capral's response indicates that it has information that suggests Foshan Minghua is in receipt of a taxation benefit from the Government of China. Foshan Minghua's questionnaire response states that it did not receive a preferential tax rate or deduction. The Commission requests Capral provide the information it has to assist in the Commission's assessment. The Commission requests that Capral also provides a non-confidential version of its response suitable for placement on the electronic public record.

Should you have any questions concerning this matter, please contact Louisa Wang on telephone number (03) 8539 2498 or email investigations2@adcommission.gov.au.

Yours sincerely
