DESIGN IS A LOVE LETTER TO LIFE

Design is the gentle heart of your heart; because the people who live in the heart are always inseparable from the TA, the design, the mystery of your soul. As to the Gabalu, mysterious force.

Research & Development

Gabalu is proud to be an internationally recognised manufacturer of high quality stainless steel sinks. We use the latest technology and craftsmanship to deliver a consistent quality product.

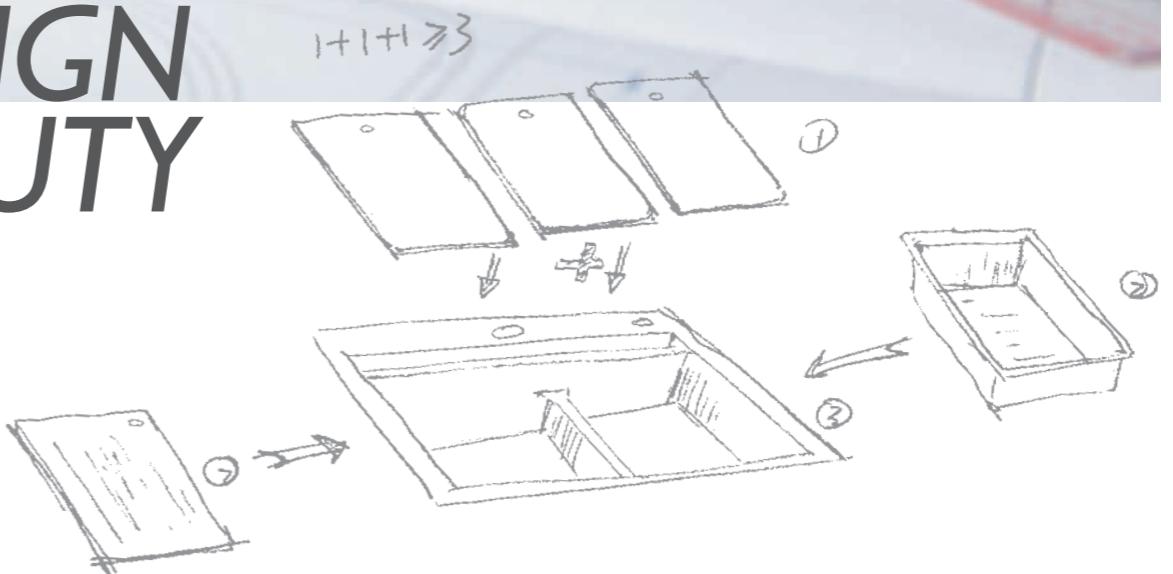

Our company is proud to have worked with many world class companies. Through our close co-operation, exchange of designs and ideas, and new product development programs we are able to provide products at the leading edge of style and design.

Gabalu is a socially responsible company, we have a strong emphasis on employee development. Our staff are the most valuable asset of our company.

At Gabalu we will continue to strive for excellence in quality, design and service to customers around the world.

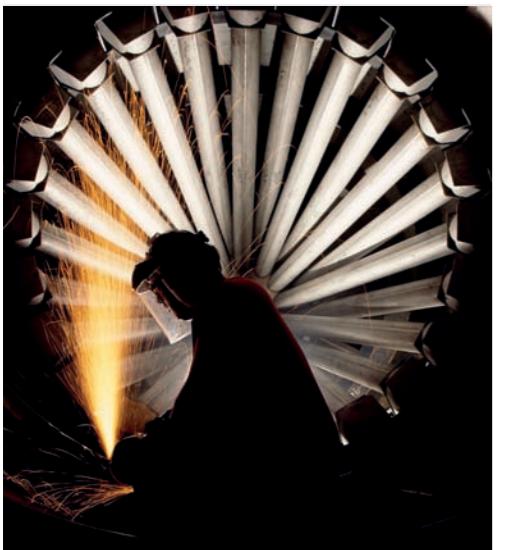

FULL DESIGN BEAUTY
