Dear Ms Olivia Tsang,

**RE: INITIATION OF A REVIEW ON ZINC COATED (GALVANISED) STEEL EXPORTED FROM CHINA,
INDIA, KOREA, MALAYSIA, TAIWAN AND VIETNAM**

First of all, we would like to apologize as we have missed the due date due to some internal miscommunication. It is our mistakes to overlook the email and we abide by the order of the Commission.

However, we have been told that in preparing the statement of essential facts (a preliminary report) and the final report, the Commissioner may have regard to information that the exporter provides if to do so would not prevent the timely placement of those reports on the public record.

Hence, we would like to extend our cooperation and clarify that CSC Steel Sdn Bhd from Malaysia did not export any zinc coated (galvanized) steel to Australia neither through traders nor to the end user within the investigation period (1st July 2018 till 30th June 2019). As currently we are focusing majorly in the domestic market.

Investigation Period	1 st July 2018 till 30 th June 2019
Export Quantity to Australia (MT)	0

We would also like to update our contact details at the Australia Anti-Dumping Commission database as below:
