4. Describe the applicant's role in the exportation of the goods (e.g. producer or manufacturer, distributor or trader of the goods);
5. Confirm that the applicant is a 'new exporter', meaning, in relation to goods the subject of an application for a dumping duty notice or countervailing duty notice or like goods, an exporter who did not export such goods to Australia at any time during the investigation period in relation to the application (ss 269ZE(1) and 269T(1) refers).
6. Confirm whether the applicant has previously applied for an accelerated review in relation to the notices the subject of this application.
7. Confirm whether the applicant is related to an exporter whose exports were examined in relation to the application for publication of the notice(s), and the nature of the relationship (s 269ZE(2)(b) refers).

In determining whether the applicant is an associate of an exporter whose exports were examined in relation to the application for publication of the notice(s), answer the following (s 269TAA(4) refers):

- (a) Are both natural persons?  
If yes:  
(i) Are they members of the same family? Or;

- (b) Are both body corporates?

8. Provide a statement setting out the basis on which you consider the particular dumping or countervailing duty notice is inappropriate, so far as the applicant is concerned.

**Impact of an all exporter review of measures**

Where a review of measures applies to all exporters of the goods generally (that is, not a single exporter), the changes to the notice(s) that result from the review may apply to all relevant exporters of the goods, including past applicants for an accelerated review. This means that changes to a notice as an outcome of an all exporter review of measures may replace an earlier published outcome of an accelerated review.

## **Public Record**

There is no legislative requirement to maintain a public record for accelerated reviews. However, in the interests of transparency, a public record for an accelerated review will be opened and accessible on the Commission's website at [www.adcommission.gov.au](http://www.adcommission.gov.au). The public record will contain, among other things, a copy of the application, all submissions from interested parties and Commission reports.

At the time of making the application, the Commission requests both a confidential version (for official use only) and non-confidential version (public record) of the application be submitted. Please ensure each page of the application is clearly marked "FOR OFFICIAL USE ONLY" or "PUBLIC RECORD". The non-confidential application should enable a reasonable understanding of the substance of the information submitted in confidence, clearly showing the reasons for seeking the accelerated review, or, if those reasons cannot be summarised, a statement of reasons why summarisation is not possible. If you cannot provide a non-confidential version, contact the Commission's client support section for advice.
