Re: Initiation of Review 547

Dear [REDACTED]

Thank you for your correspondence. We confirm our response to Part A of the Importer Questionnaire that we did not import A4 Copy Paper in 2019 from either of the 2 mills identified in the investigation.

We consider the approach taken by the ADC in this matter to be incorrect and not in line with WTO guidelines.

We confirm that this statement and our questionnaire response of Wednesday 18th March 2020, has no confidential information and can be placed on the Public Record.

Yours Faithfully

Larry Jackson
Managing Director.
