

Customs Tariff (Anti-Dumping) Act 1975

Precision pipe and tube steel exported to Australia

from the People's Republic of China and the Republic of Korea

Notice pursuant to sections 8(5), 8(5B), 8(5BA), 8(5BAA), 8(5BAAA) and 8(5BB) of the *Customs Tariff (Anti-Dumping) Act 1975*

I, ANGUS TAYLOR, the Acting Minister for Industry, Science and Technology have signed and issued a notice, pursuant to sections 269TG(1) and (2) of the *Customs Act 1901* (the Act). That notice applies in respect of precision pipe and tube steel (the goods)¹ exported to Australia from the People's Republic of China and the Republic of Korea.

I **DETERMINE**, pursuant to sections 8(5) and 8(5BB) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the interim dumping duty payable on the goods is an amount worked out in accordance with the *ad valorem* duty method, specified in sections 5(2) and 5(3) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

China

In relation to Dalian Steelforce Hi-Tech Co., Ltd (Dalian Steelforce) and Yantai Aoxin International Trade Co., Ltd (Yantai Aoxin) from China, pursuant to section 8(5BAAA) of the Dumping Duty Act, I am not required to have regard to the desirability of fixing a lesser amount of duty. This is because the normal value of the goods for these exporters was not ascertained under section 269TAC(1) of the Act because of the operation of section 269TAC(2)(a)(ii) of the Act.

In relation to all other exporters from China (except Dalian Steelforce and Yantai Aoxin), pursuant to section 8(5BA) of the Dumping Duty Act, I have had regard to the desirability of specifying a method, such that the sum of:

- (i) the export price of goods of that kind as so ascertained; and
- (ii) the interim dumping duty payable on the goods; and
- (iii) the interim countervailing duty payable on the goods,

does not exceed the non-injurious price of goods of that kind, as ascertained for the purposes of the notices. For all other exporters from China, these amounts do not exceed the non-injurious price. Therefore, a lesser amount of duty has not been applied.

¹ Particulars of which are set out in that notice. See Anti-Dumping Notice (ADN) No. 2021/109.

Korea

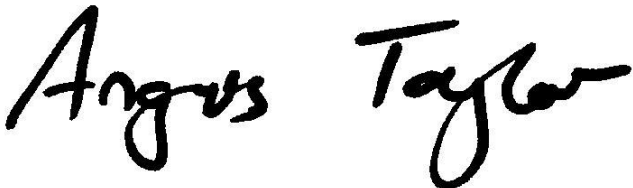

Pursuant to section 8(5B) of the Dumping Duty Act, I have had regard to the desirability of specifying a method such that the sum of:

- (i) the export price of goods of that kind as so ascertained; and
- (ii) the interim dumping duty payable on the goods,

does not exceed the non-injurious price of goods of that kind, as ascertained for the purposes of the notices. For exporters from Korea, these amounts do not exceed the non-injurious price of the goods. Therefore, a lesser amount of duty has not been applied.

This notice applies to the goods and like goods entered for home consumption, as per my declaration, set out in ADN No. 2021/109.
