Dear Paul,

**ADRP Review No.143 – Precision Pipe and Tube Steel exported from  
the People's Republic of China and the Socialist Republic of Vietnam (Case 550)**

I refer to your letter of 18 February 2022 approving an extension of time to complete my reinvestigation of certain findings in *Anti-Dumping Commission Report No. 550*.

In your letter you agreed to an extension until 22 April 2022 to provide the final report. I am seeking a further extension of 10 days until 2 May 2022 to complete my reinvestigation and report my findings.

I seek this extension as the Anti-Dumping Commission (the commission) has received a submission from an Australian industry member regarding the findings in my preliminary reinvestigation report. I require further time to properly consider this submission and to finalise the reinvestigation report.

Please contact the case manager at [investigations3@adcommission.gov.au](mailto:investigations3@adcommission.gov.au) directly should you require any clarification.

Yours sincerely
