

Customs Tariff (Anti-Dumping) Act 1975

Painted Steel Strapping exported to Australia from the People's Republic of China

Notice pursuant to sections 8(5) and 8(5BA) of the *Customs Tariff (Anti-Dumping) Act 1975*

I, ANGUS TAYLOR, Minister for Industry, Energy and Emissions Reduction (the Minister), decided to issue a dumping duty notice¹ pursuant to sections 269TG(1) and 269TG(2) of the *Customs Act 1901* (the Act) and a countervailing duty notice² pursuant to sections 269TJ(1) and 269TJ(2) of the Act in respect to painted steel strapping (the goods) exported to Australia from the People's Republic of China, except by Qinhuangdao Jiashilun Packaging Materials Co., Ltd (Jiashilun).

I DETERMINE, pursuant to section 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the interim dumping duty (IDD) payable on the goods is an amount worked out in accordance with the *ad valorem* duty method, specified in section 5(7) of the *Customs Tariff (Anti-Dumping) Regulation 2013*. This determination does not apply to goods exported by Jiashilun.

Pursuant to section 8(5BA) of the Dumping Duty Act, I have had regard to the desirability of specifying a method such that the sum of:

- (i) the export price of goods of that kind as so ascertained or last ascertained
- (ii) the IDD payable on the goods
- (iii) the interim countervailing duty payable under section 10 of the Dumping Duty Act on the goods the subject of the countervailing duty notice under section 269TJ of the Act

does not exceed the non-injurious price of goods of that kind as ascertained for the purpose of the dumping duty notice.

This notice applies to the goods and like goods entered for home consumption as per my declaration set out in the dumping duty notice.

Dated this 25th day of November 2021

ANGUS TAYLOR
Minister for Industry, Energy and Emissions Reduction
