A full description of the goods is available in Anti-Dumping Notice (ADN) No. 2020/073 (the initiation notice) available on the Anti-Dumping Commission's (Commission) website at: www.adcommission.gov.au

The initiation notice advised that the statement of essential facts (SEF) would be placed on the public record by 2 November 2020. The initiation notice also advised that a recommendation to the Minister would be made in a final report on, or before, 17 December 2020. As advised in ADN No. 2020/123, the Commissioner has previously extended this deadline. The SEF is currently due to be placed on the public record on or before 9 April 2021, and a recommendation provided to the Minister in a report on or before 28 May 2021.

The COVID-19 pandemic has impacted interested parties, delaying the provision of their responses to information requests. It has also affected the ability of Commission staff to undertake verification of information within the usual timeframes.

As a result of the delays associated with the COVID-19 pandemic, I, Paul Sexton, General Manager, Investigations of the Anti-Dumping Commission, requested an extension of the deadline for the Commissioner to publish the SEF and provide his final report and recommendation to the Minister.¹
