

## **Customs Tariff (Anti-Dumping) Act 1975**

### **Aluminium zinc coated steel of a width equal to or greater than 600 millimetres**

### **Exported to Australia from the Republic of Korea and the Socialist Republic of Vietnam**

Notice pursuant to sections 8(5) and 8(5B) of the *Customs Tariff (Anti-Dumping) Act 1975*

I, ANGUS TAYLOR, Minister for Industry, Energy and Emissions Reduction (the Minister), have signed and issued a notice (the notice)<sup>1</sup> pursuant to sections 269TG(1) and 269TG(2) of the *Customs Act 1901* (the Act). That notice applies in respect of aluminium zinc coated steel of a width equal to, or greater than, 600 millimetres (the goods). The goods are exported to Australia from the Republic of Korea, and the Socialist Republic of Vietnam (Vietnam).

I **DETERMINE**, pursuant to section 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the interim dumping duty (IDD) payable on the goods is an amount worked out in accordance with the *combination fixed and variable method*, specified in sections 5(2) and 5(3) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

#### **Vietnam**

In relation to Hoa Phat Steel Sheet Co., Ltd and uncooperative Vietnamese exporters, pursuant to section 8(5B) of the Dumping Duty Act, I have had regard to the desirability of specifying a method such that the sum of:

- (i) the export price of goods of that kind as so ascertained or last ascertained; and
- (ii) the interim dumping duty payable on the goods,

does not exceed the non-injurious price of goods of that kind as ascertained, or last ascertained, for the purpose of those notices. As the non-injurious price is less than the normal value for Hoa Phat Steel Sheet Co., Ltd and uncooperative exporters from Vietnam, the lesser duty rule will be operative in regard to their goods (ie it will have a practical effect on the interim dumping duty set for the goods exported by these exporters).

<sup>1</sup> Particulars of the goods are set out in that notice. See Anti-Dumping Notice (ADN) No2021/147.

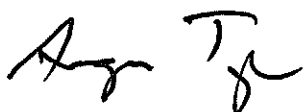

In relation to Hoa Sen Group Joint Stock Company, as the non-injurious price calculated for the goods is greater than the normal value, the lesser duty rule does not apply to the goods exported by Hoa Sen Group Joint Stock Company.

### Republic of Korea

As the non-injurious prices calculated for the goods exported from the Republic of Korea are greater than the normal values, the lesser duty rule does not apply to the goods exported by these exporters.

This notice applies to the goods and like goods entered for home consumption as per my declaration ADN 2021/147 under section 269TG of the Act and to which section 8 of the Dumping Duty Act applies.

Dated this 29<sup>th</sup> day of December 2021

ANGUS TAYLOR

Minister for Industry, Energy and Emissions Reduction
