

## **ANTI-DUMPING NOTICE NO. 2021/098**

*Customs Act 1901 – Part XVB*

### **Chrome-Plated Steel Bar exported from Romania**

### **Findings of Continuation Inquiry into Anti-Dumping Measures No. 568**

#### ***Notice under section 269ZHG(1)***<sup>1</sup>

The Commissioner of the Anti-Dumping Commission (the Commissioner) has completed an inquiry concerning the continuation of the anti-dumping measures, in the form of an anti-dumping notice, applying to chrome-plated steel bar (chrome bar, or the goods) exported to Australia from Romania.

Recommendations resulting from the inquiry completed by the Commissioner, reasons for the recommendations and material findings of fact and law in relation to the inquiry are contained in *Anti-Dumping Commission Report No. 568 (REP 568)*.

I, CHRISTIAN PORTER, the Minister for Industry, Science and Technology, have considered REP 568 and have decided to accept the recommendations and reasons for the recommendations, including all the material findings of fact and law, therein. Under section 269ZHG(1)(b) of the Act, I declare that I have decided to secure the continuation of the anti-dumping measures currently applying to the goods exported to Australia from Romania.

Under section 269ZHG(4)(a)(iii), I declare that, for the purposes of the Act and the *Customs Tariff (Anti-Dumping) Act 1975 (Dumping Duty Act)*, with effect from 8 September 2021, the dumping duty notice applicable to the goods exported from Romania will have effect as if different variable factors had been fixed in relation to exporters generally, relevant to the determination of duty.

In respect of the goods exported by all exporters from Romania, the non-injurious price of those goods is less than the normal value. Pursuant to section 8(5B) of the Dumping Duty Act, I have had regard to the desirability of fixing a lesser amount of duty. If the non-injurious price of goods of that kind as ascertained or last ascertained for the purposes of the dumping duty notice is less than the normal value of goods of that kind as so ascertained, or last so ascertained, a lesser amount of interim dumping duty is fixed such that the sum of:

- (i) the export price of goods of that kind as so ascertained or last so ascertained;
- (ii) the interim dumping duty payable on the goods the subject of the notice,

does not exceed that non-injurious price of goods of that kind as ascertained.
