

## Continuation Inquiry 575

### Clear float glass

### Exported from the People's Republic of China, the Republic of Indonesia and the Kingdom of Thailand

#### File note

**Location:** 95 Greens Rd, Dandenong South, Victoria

**Date:** 14 April 2021

**Present:**

Representatives from Oceania Glass Pty Ltd  
Representatives from Anti-Dumping Commission

---

Staff of the Anti-Dumping Commission (the Commission) met with representatives of Oceania Glass Pty Ltd (Oceania) at Oceania's premises in Dandenong South, Victoria.

#### Factory Tour

Oceania's representatives provided Commission staff with a tour of its manufacturing facilities and an overview of the clear float glass (CFG) production process.

#### Exporter Briefing

Oceania representatives discussed matters relating to the verification of exporters with Commission staff, including:

- excess capacity and ability to shift exports;
- usage of square metres or tonnes as unit of measurement;
- differences between domestic and export packaging; and
- raw material inputs into CFG production.
