Dear Mr Maevsky

Public File

Investigation No. 578 – Q&T steel plate exported from USA – Submission by SSAB Alabama dated 3 August 2021

We refer to Investigation No. 578 and the submission of 3 August 2021 (EPR Document No. 009).

Bisalloy Steels Pty Ltd (“Bisalloy”) seeks to highlight errors evident in the information included in the submission. Most notably, the shareholding of Balron Nominees Pty Ltd at 17.09 per cent falls within the total 19.10 per cent of Southern Steel Investments Pty Ltd (of 19.10 per cent). It therefore cannot be interpreted that Balron Nominees and Southern Steel Investments (or directors thereof) have shareholdings exceeding the 19.10 per cent. The total shareholdings of Balron Nominees and Southern Steel Investments as at 30 June 2021 is 18.84 per cent (refer Non-Confidential Attachment 1 – Bisalloy’s twenty largest shareholders, and substantial shareholders, as at 30 June 2021).

Bisalloy also seeks to correct the unsubstantiated claim in the 3 August 2021 submission that Bisalloy Steels Pty Ltd has imported Q&T steel plate from its Joint Venture Company, Bisalloy Shangang (Shandong) Steel Plate Co., Ltd for sale into the Australian market. Bisalloy has not imported the subject goods from its Chinese JV partner.

If you have any questions concerning this submission, please do not hesitate to contact me on (02) 4272 0403.

Kind regards,

Luke Beale
