For the attention of: Gavin Crooks, Assistant Director, Investigations

Dear Sir / Madam,

Anti-Dumping Investigation No. 583 under ADN 2021/072 in respect of alleged dumping of A4 copy paper exported to Australia from the Republic of Indonesia by PT. Pabrik Kertas Tjiwi Kimia Tbk ('Tjiwi Kimia').

I refer to above-described Investigation No 583 initiated under ADN 2021/72.

We thank you for granting us an extension until 6 August 2021 to file a response to the Exporter's Questionnaire.

Tjiwi Kimia has advised us that it is not going to file a Response to the Exporter's Questionnaire with the ADC.

Since the purpose of our response to the Exporter's Questionnaire was only to ensure completeness and full transparency in relation to the information that would have been included in the Tjiwi Kimia's response to the Exporter's Questionnaire, then given that Tjiwi Kimia is not filing a response, it becomes unnecessary for our company to file a response.

Therefore, we advise that Kensington International Limited will not be filing a response to the Exporter's Questionnaire in Investigation No 583.

Yours Sincerely,

Signed for an on behalf of Director of Kensington International Limited by:
