

ANTI-DUMPING NOTICE NO. 2022/108

CUSTOMS ACT 1901 - PART XV B

CERTAIN WIRE ROPE EXPORTED TO AUSTRALIA FROM THE REPUBLIC OF SOUTH AFRICA

Findings of Continuation Inquiry No. 595

*Notice under section 269ZHG(1) of the Customs Act 1901 and section 8 of the
Customs Tariff (Anti-Dumping) Act 1975*

The Commissioner of the Anti-Dumping Commission (the Commissioner) has completed an inquiry into whether to continue the anti-dumping measures in the form of a dumping duty notice, applying to certain wire rope exported to Australia from the Republic of South Africa (South Africa).

The inquiry commenced on 17 January 2022.

The Commissioner's recommendations from the inquiry, reasons for the recommendations, and material findings of fact and law in relation to the inquiry are contained in *Anti-Dumping Commission Report No. 595* (REP 595).

I, ED HUSIC, the Minister for Industry and Science, have considered REP 595 and have decided to accept the recommendations and reasons for the recommendations, including all the material findings of fact and law set out in REP 595.

Under section 269ZHG(1)(b) of the *Customs Act 1901* (the Act)¹, I **declare** that I have decided to **secure the continuation** of the anti-dumping measures currently applying to certain wire rope exported to Australia from South Africa.

In accordance with section 269ZHG(4)(a)(iii) of the Act, I **determine** that the dumping duty notice continue in force after 18 December 2022 (the specified expiry date), but that, after this day, has effect as if different specified variable factors had been fixed in relation to exporters generally.

I **determine** in accordance with section 8(5) and 8(5BB) of the *Customs Tariff (Anti-Dumping) Act 1975* (Dumping Duty Act), and the *Customs Tariff (Anti-Dumping) Regulation 2013* (the Regulation), the amount of interim dumping duty (IDD) payable on goods, the subject of the dumping duty notice, is an amount worked out in accordance with the combination of fixed and variable duty method as specified in section 5(2) and (3) of the Regulation.

¹ All legislative references are to the *Customs Act 1901* (Cth) (the Act), unless otherwise specified.

In respect of the goods exported by all exporters from South Africa, the non-injurious price of those goods is less than the normal value. Pursuant to section 8(5B) of the Dumping Duty Act, I have had regard to the desirability of fixing a lesser amount of duty.

I **determine** a lesser amount of duty apply to the goods from the exporters listed in the table below. The rates of interim dumping duty (IDD) for exporters from South Africa are set out in the following table.

| Country | Exporter | Fixed rate of IDD | Duty method |
|--------------|--------------------------------|-------------------|---|
| South Africa | Haggie Steel Wire Rope Pty Ltd | 25.3% | combination of fixed and variable duty method |
| | All other exporters | 25.3% | combination of fixed and variable duty method |
