# **ANTI-DUMPING NOTICE NO. 2022/094**

## **Concrete Underlay Film**

### **Exported to Australia from Malaysia**

### **Extension of time granted to issue the Statement of Essential Facts and the Final Report Anti-circumvention Inquiry No. 606**

*Customs Act 1901 – Part XVB*

On 23 June 2022, the Commissioner of the Anti-Dumping Commission (Commissioner) published a notice (initiation notice)<sup>1</sup> announcing the initiation of an anti-circumvention inquiry in relation to certain concrete underlay film (the goods)<sup>2</sup> exported to Australia from Malaysia.

The initiation notice advised that the Commissioner would publish the statement of essential facts (SEF) on the public record by 11 October 2022. The SEF will set out the facts on which the Commissioner proposes to base his recommendations to the Minister for Industry and Science (the Minister) in relation to this inquiry. The initiation notice also advised that the Commissioner would make a recommendation to the Minister in a final report on or before 25 November 2022.

To:

- allow the commission time to gather and verify data and to prepare the SEF, and
- account for a reduced activity period and public holidays which occur over the Christmas and New Year period (between the SEF and the final report),

I, Isolde Lueckenhausen, Deputy Commissioner, Investigations, Anti-Dumping Commission, requested an extension of the deadline for the Commissioner to publish the SEF and provide his final report and recommendation to the Minister.<sup>3</sup>
