Dear Mr Tim King,

I write in response to your letters to Indah Kiat and Pindo Deli dated 27 April 2020. I wish to clarify that the response from the original investigation remains unchanged for questions A 1.3, A 2.1 to A 2.3, A2.5 to A 2.11, A3.1 to A 3.3, A 3.9 and A 4.6.

Further for the above please also be advised that we are not considering providing any further response to the questionnaire and would appreciate if objection letters already submitted by Indah Kiat and Pindo Deli are considered as part of the complete response.

We also do not understand why you believe that you need to review the 2019 period in order to comply with the WTO ruling about legal errors in your decision about the 2015 period. Isn't there an easier way for the Minister (with or without the advise from the Commission) to correct the legal errors with the WTO ruling without any consideration of anything related to 2019 ?
Can you please explain your position to us ?

Arvind Gupta
Head of Anti Dumping Task Force
