Postal address: PO Box 8196, Carrum Downs Vic 3201
ABN: 59 506 564 203

The details for the contact person for this application are as follows:

Greg Brown - Director of Auswide Equipment Pty Ltd
Telephone: 03 9775 1669
Mobile: 0418 109 731
Email: greg@ausramp.com.au

The applicant's interests as an affected party - end user

Details of other parties likely to have an interest in this exemption application:

Panasia Aluminium
33 Kilkenny Court, Dandenong South, Vic 3175
Postal Address: PO Box 4010, Dandenong South, Vic 3164
Interest - Importers

The exemption goods:

The goods for which the exemption is being sought are Aluminium Channel extruded in 7005-T593. These materials are used in the manufacture of Plant Trailers and Loading Ramps, for the transportation and loading of earthmoving equipment.

Exemption being sought for Extruded Aluminium Channels manufactured from Aluminium Alloy designation 7005 with T593 temper designation with the following dimensions:

- 105mm x 50mm channel at 3.4 meters long, with a flange thickness of 7mm and wall thickness of 4mm (sketch no. CA0000652 attached)
- 125mm x 50mm channel at 3.4 meters long, with a flange thickness of 8mm and wall thickness of 4mm (sketch no. CA0000425 attached)
- 150mm x 50mm channel at 3.4 meters long, with a flange thickness of 9mm and wall thickness of 4.5mm (sketch no. CA0000653 attached)
- 160mm x 60mm channel at 3.4 meters long, with a flange thickness of 9mm and wall thickness of 6mm (sketch no. CA0000 attached)

Conditions exist that provide grounds to make an exemption for the above-mentioned materials, in that no Australian aluminium extrusion company will produce these materials for the manufacture of Plant Trailers and Loading Ramps.

Grounds on which we are seeking the exemption:

Ground One – Like or directly competitive goods are not offered for sale in Australia to all purchasers on equal terms under like conditions having regard to the custom and usage of trade.

Attached to this application is evidence that all known Australian producers have been contacted in writing and asked whether, or not, they can manufacture and supply goods, the terms of supply.
