

COMMONWEALTH OF AUSTRALIA

Ministerial Exemption Instrument No. 5 of 2019

Customs Tariff (Anti-Dumping) Act 1975

I, KAREN ANDREWS, Minister for Industry, Science and Technology have considered and accepted the recommendations of the Commissioner of the Anti-Dumping Commission, the reasons for the recommendations, the material findings of fact on which the recommendations are based and the evidence relied on to support those findings in *Exemption Inquiry Report No. EX0077* concerning certain hot rolled structural steel sections (HRS) exported to Australia from Japan, the Republic of Korea (Korea), Taiwan and the Kingdom of Thailand (Thailand).

Under subsection 8(7)(b) of the *Customs Tariff (Anti-Dumping) Act 1975*, I hereby exempt the goods described in Attachment 1 (the exemption goods) from interim dumping duty and dumping duty (the duties) as I am satisfied that a Tariff Concession Order under Part XVA of the *Customs Act 1901* in respect of the exemption goods is in force.

The anti-dumping measures previously applying to the exemption goods were imposed the then Parliamentary Secretary to the Minister for Industry following consideration of *Anti-Dumping Commission Report No. 223* concerning the alleged dumping of certain HRS exported from Japan, Korea, Taiwan and Thailand.

This instrument has effect from 4 July 2019 until Tariff Concession Order TC 19104997 is revoked.

The instrument is subject to review and may be revoked earlier.

Dated this 12th day of December 2019

KAREN ANDREWS

Minister for Industry, Science and Technology
