

ANTI-DUMPING NOTICE NO. 2019/106

Customs Act 1901 – Part XVB

Hollow Structural Sections

Exported from the Kingdom of Thailand

Expiry of anti-dumping measures

Notice under subsection 269ZHB(1) of the Customs Act 1901

I, Dale Seymour, the Commissioner of the Anti-Dumping Commission, in accordance with subsection 269ZHB(1) of the *Customs Act 1901* (the Act),¹ advise that the anti-dumping measures on hollow structural sections, exported to Australia from the Kingdom of Thailand, are due to expire.

The anti-dumping measures were initially imposed by public notice (a dumping duty notice) on 19 August 2015 by the then Parliamentary Secretary to the Minister for Industry and Science following consideration of the *Anti-Dumping Commission Report No.254*. The dumping duty notice is due to expire on 19 August 2020.

Those persons as specified in subsection 269ZHB(1)(b) of the Act are invited to apply for the continuation of the measures. The application must be in writing, be in the form I have approved for the purposes of section 269ZHC, contain such information that the form requires, be signed in the manner indicated in the form, and be lodged in the manner approved under section 269SMS. Applications must be lodged by 1 November 2019.

The application must provide evidence addressing whether there appear to be reasonable grounds for asserting that the expiration of the anti-dumping measures to which the application relates might lead, or might be likely to lead, to a continuation of, or a recurrence of, the material injury that the measures are intended to prevent.

If an application is received that complies with the prescribed requirements and I decide not to reject that application, I will publish a notice on the Anti-Dumping Commission's website indicating that it is proposed to inquire whether continuation of the measures is justified. I will undertake an inquiry and report my recommendation to the Minister for Industry, Science and Technology within 155 days of publication of the notice advising the commencement of the inquiry (or such longer period as may be allowed in accordance with section 269ZHI of the Act).

If no application is received within the period specified above, the anti-dumping measures applying to hollow structural sections, exported to Australia from the Kingdom of Thailand will expire on 19 August 2020. Therefore on and from 20 August 2020 anti-dumping measures would no longer apply.

¹ All legislative references in this notice are to the *Customs Act 1901*.

Copies of the approved application form and the accompanying guidelines are available at www.adcommission.gov.au. Enquiries about this notice should be made to business.gov.au on telephone 13 28 46 or +61 2 6213 6000 (outside Australia) or email clientsupport@adcommission.gov.au.
