- Good UV longevity
- Good Print Quality; good detail & colour vibrancy
- Latex, UV or Solvent print capabilities
- Welded and eyeleted, plus additional optional finishes
- Variety of sizes available

Applications

- Temporary & permanent fencing
- Banners, scaffold, building wraps, crowd control barriers
- Sports, music, and cultural events
- Construction sites

Finishing

- Our standard finishing on banner mesh is a 50mm reinforced weld with stainless steel eyelets every 500mm on top edge and 1,000mm on bottom edge
- Other finishing requirements can be applied to mesh such as kedar for sailtrack installations and welded pockets
- Digitally Printed CMYK – Any colour available

Strengths & Weaknesses

- Great image quality and endurance
- Long outdoor use
- Heavy, and creases easily. Challenging to transport
- High quality option

Printed Shade Cloth

Lock Up or Lose It!

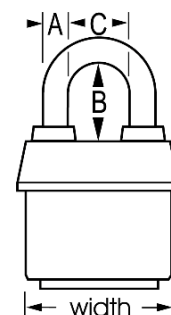

Padlocks are an important, effective, and often overlooked cornerstone of security

We have many options available; here are some of our most popular choices.
Call Davmar to discuss which security solution best suits your needs.

Keyed to Differ (KD)

This is the most rudimentary padlock, called "Keyed to Differ (KD)".
Each lock is opened by its own unique key that does not open any other lock in the set.
Keyed to differ is the standard keying on Master Lock padlocks.

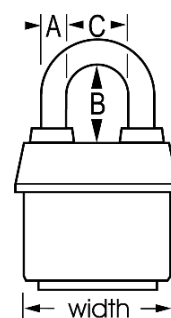

Code	Shackle	Description of Padlock Body	Size A	Size B	Size C	Price / Unit
VPadLKDBO30	Boron	Solid Brass 40mm Wide Body	8	30	23	\$37.60
VPadLKDBO40	Boron	Solid Brass 40mm Wide Body	8	40	23	\$45.30
VPadLKDBO62	Boron	Solid Brass 40mm Wide Body	8	62	23	\$46.50
VPadLKDBO143	Boron	Solid Brass 40mm Wide Body	8	143	23	\$49.90

VPadLKDSS30	Stainless Steel	Solid Brass 40mm Wide Body	8	30	23	\$46.60
VPadLKDSS62	Stainless Steel	Solid Brass 40mm Wide Body	8	62	23	\$48.60

Keyed Alike (KA)

KEYED ALIKE (KA) – This option provides "same key" convenience and eliminates the need for multiple keys where numerous padlocks are used. All padlocks in the set are opened by the same key.

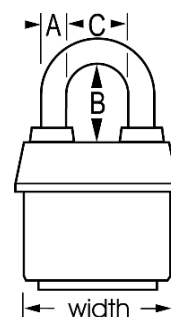

Code	Shackle	Description of Padlock Body	Size A	Size B	Size C	Price / Unit
VPadLKABO30	Boron	Solid Brass 40mm Wide Body	8	30	23	\$45.10
VPadLKABO40	Boron	Solid Brass 40mm Wide Body	8	40	23	\$52.80

VPadLKABO143	Boron	Solid Brass 40mm Wide Body	8	143	23	\$57.80

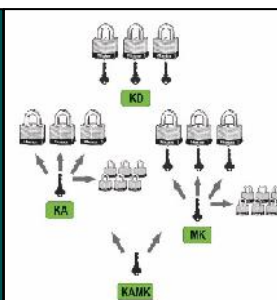

Master Keyed (MK)

MASTER KEYED (MK) – In a Master Keyed System, a master key opens all the locks in the system although each lock has its own unique key. This permits overriding master key systems along departmental or other functional lines, to allow supervisory access.

Edge Restricted Key Control

Edge™ Restricted Key Control System gives companies confidence and control over the integrity of their padlock security network.

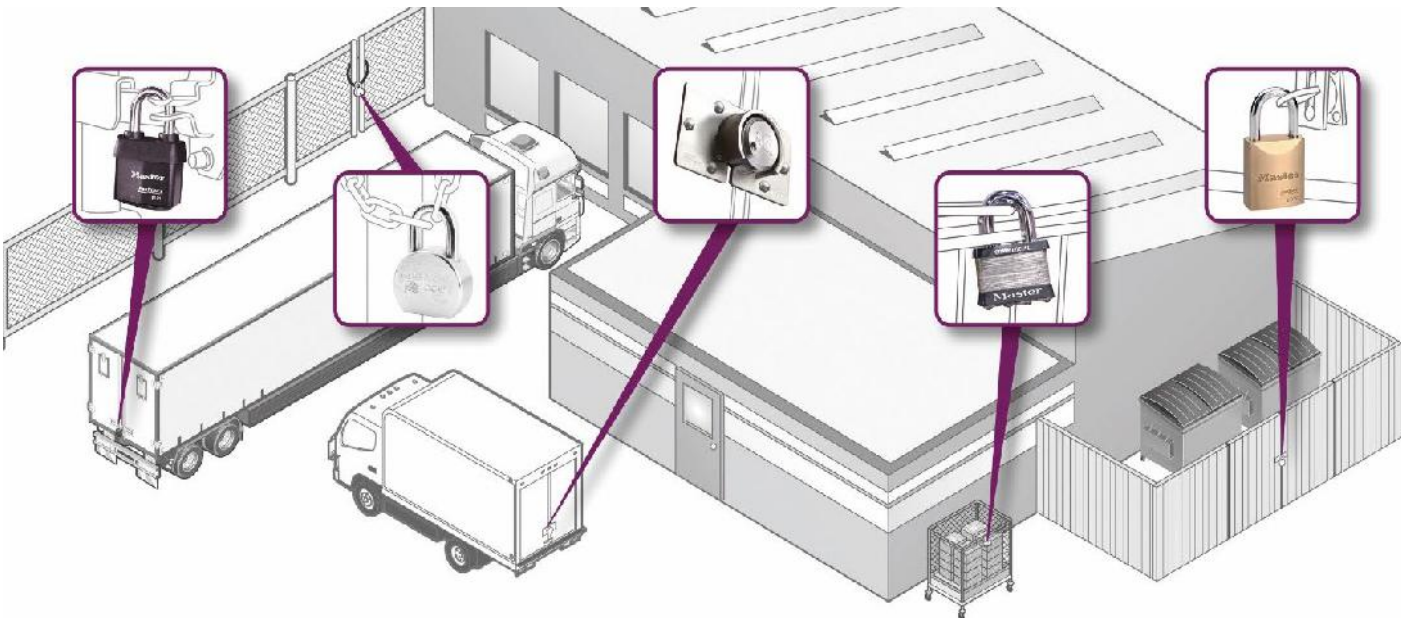

Control and eliminate unauthorised key duplication.

Keys available only from Master Lock – copies cannot be made at stores.

Implement a single keying system across all padlock security applications.

Call Davmar to discuss which unique ‘Edge Restricted Key Control’ system works for you.
