Dear Ms Blumberg

CERTAIN ALUMINIUM ROAD WHEELS EXPORTED TO AUSTRALIA FROM THE PEOPLE'S REPUBLIC OF CHINA

Thank you for your letter of 22 December 2015, inviting the Anti-Dumping Commission (the Commission) to comment on applications from Zhejiang Yueling Co. Ltd and Pilotdoer Wheel Co. Ltd, who are seeking a review of a decision by the Parliamentary Secretary to the Minister for Industry, Innovation and Science under section 269ZZE of the *Customs Act 1901* (the Act).

The Commission has prepared its responses to the issues raised by the applicants in a non-confidential form (see Attachment A) and a confidential form (see Attachment B).

The Commission has responded to the four specific matters referred to in your letter. The Commission notes that one application may have contained some information that does not meet the definition of *relevant information*, as prescribed in subsection 269ZZK(6) of the Act.

Please contact the Commission directly, should you require any clarification on matters raised in the Commission's response.

Yours sincerely
