The ADRP provided its report and recommendations to me on 10 January 2018.

Subsection 269ZZM(1A) of the *Customs Act 1901* requires that I make a decision having regard to that report and its recommendations within 30 days after receiving that report. This required me to make my decision by 9 February 2018. However, where special circumstances prevent my decision being made within the 30 day period, it may be made within a longer period, as I consider appropriate.

As a result of special circumstances, I decided under section 269ZZM(1A)(b) of the *Customs Act 1901* to extend the period for making my decision to **12 March 2018**.
