Dear Leora

ADRP REVIEW NO. 2018/71 - CERTAIN WIRE ROPE EXPORTED TO AUSTRALIA FROM THE REPUBLIC OF SOUTH AFRICA

As you are aware, on 9 April 2018, I was provided with a timeframe of 55 days to conduct a reinvestigation of certain findings and provide a report to the Anti-Dumping Review Panel (ADRP) in relation to wire rope from the Republic of South Africa.

The reinvestigation report is currently due by Thursday, 31 May 2018.

I request an extension of 20 days to Wednesday 20 June 2018, to provide this report to the ADRP.

The reinvestigation involves multiple issues which are complex. Supplementary information from the applicant was provided to the Commission by the ADRP Secretariat on 8 May 2018. The Commission requires more time to consider all of the information before it and to reconcile the applicant's claims. In addition, I consider that your review would benefit from a thorough explanation of the Commission's view of these issues.

Please contact the Commission directly, should you require any clarification.

Yours sincerely
