

Australian Government
**Department of Industry,
Innovation and Science**

Customs Act 1901

Notice under section 269ZZM(4)

Certain Wire Rope exported from the Republic of South Africa

The Anti-Dumping Review Panel (ADRP) has completed a review of the decision by the former Assistant Minister for Industry, Innovation and Science/Parliamentary Secretary to the Minister for Industry, Innovation and Science to publish a dumping duty notice in respect of Certain Wire Rope exported from the Republic of South Africa (the Reviewable Decision). The Reviewable Decision was published on the Anti-Dumping Commission's (ADC) website on 18 December 2017 ([ADN 2017/172](#)).

A joint application for review was made by Scaw South Africa (Pty) Ltd and Haggie Reid Pty Limited.

A copy of the application and the ADRP's report to me (ADRP Report No 71) is available on the ADRP website www.adreviewpanel.gov.au.

The ADRP has recommended that the Reviewable Decision be **revoked** and substituted with a new decision that is in the same terms as the Reviewable Decision except for:

- The normal value and export price for Scaw South Africa (Pty) Ltd (Scaw) be changed, resulting in a new dumping margin for Scaw of 27.2%.

I, KAREN ANDREWS, Minister for Industry, Science and Technology have considered and accepted the recommendations, and reasons for the recommendations, made by the ADRP in ADRP Report No 71, including all material findings of fact or law as set out in ADRP Report No 71.

Therefore, in accordance with section 269ZZM(1)(b) of the *Customs Act 1901*, I **revoke** the reviewable decision in so far as it relates to Scaw and substitute a new decision as recommended by the ADRP. The substituted decision is to have effect from the date of the reviewable decision.

Interested parties may seek a review of this decision by lodging an application with the Federal Court of Australia, in accordance with the requirements in the *Administrative Decisions (Judicial Review) Act 1977*, within 28 days of the publication of this notice.

The Hon Karen Andrews MP
Minister for Industry, Science and Technology
2 October 2018
