Dear Leora

### **ADRP REVIEW NO. 2018/71 - CERTAIN WIRE ROPE EXPORTED TO AUSTRALIA FROM THE REPUBLIC OF SOUTH AFRICA**

As you are aware, I am conducting a reinvestigation of certain findings in relation to wire rope from the Republic of South Africa (*Anti-Dumping Commission Final Report No. 401* refers).

The reinvestigation report is currently due by Thursday, 5 July 2018.

I request an extension of 15 days to Friday 20 July 2018, to provide my report to the Anti-Dumping Review Panel.

I have almost completed my reinvestigation, however I require additional time to conduct quality assurance processes.

As I've indicated previously, the reinvestigation involves multiple issues which are complex. I consider that your review would benefit from additional time to ensure the correct and preferable decision is reached.

Please contact the Commission directly, should you require any clarification.

Yours sincerely
