Dear Commissioner,

ADRP Review No. 100 Wind Towers exported from the People's Republic of China and the Republic of Korea

I refer to your letter of 30 October 2019 requesting a longer period to provide a report on the reinvestigation in relation to Wind Towers exported from the People's Republic of China and the Republic of Korea (ADN 2019/33).

I have considered your request and grounds for requesting the extension and agree to an extension of 95 days to provide the reinvestigation report. In granting this extension, I have taken into account that my request for reinvestigation and the submission made by Moulis Legal in response to the preliminary reinvestigation report raise complex issues which may require additional time to fully investigate and consider.

The reinvestigation report should now be provided on or before **Tuesday, 4 February 2020**.

Yours sincerely,
