Dear Commissioner,

ADRP Review No. 100 Wind Towers exported from the People's Republic of China and the Republic of Korea

I refer to your letter of 31 January 2020 requesting a longer period to provide a report on the reinvestigation in relation to Wind Towers exported from the People's Republic of China and the Republic of Korea (ADN 2019/33).

I have considered your request and the grounds for requesting the extension and agree to an extension of 30 days to provide the reinvestigation report.

In granting this extension, I have had regard to my reinvestigation request, the second preliminary reinvestigation report and the submission made by Shanghai Taisheng Wind Power Equipment Co., Ltd (TSP) in response to the second preliminary reinvestigation report. I agree that my reinvestigation request raises complex issues. Further, I consider that you should be given adequate time to address the matters raised by TSP's submission.

The reinvestigation report should now be provided on or before **Thursday, 5 March 2020**.

Yours sincerely,
