Canberra ACT 2601

Dear Commissioner,

ADRP Review No. 119 Power Transformers exported from the Republic of Indonesia and Taiwan

I refer to your letter of 17 March 2020 requesting a longer period to provide a report on the reinvestigation in relation to Power Transformers exported from the Republic of Indonesia and Taiwan (ADN 2019/127).

I have considered your request and the grounds for requesting the extension and agree to an extension of 65 days to provide the reinvestigation report.

In granting this extension, I have had regard to the issues raised in my reinvestigation request, the Commission's intention to gather and analyse additional information from interested parties and the impact of the ongoing COVID-19 pandemic. I also consider that you should be given adequate time to publish a preliminary reinvestigation report and to consider any subsequent submissions made by interested parties.

The reinvestigation report should now be provided on or before **Thursday, 4 June 2020**.

Yours sincerely,
