Dear Commissioner,

ADRP Review No. 119 Power Transformers exported from the Republic of Indonesia and Taiwan

I refer to your letter of 28 May 2020 requesting a longer period to provide a report on the reinvestigation in relation to Power Transformers exported from the Republic of Indonesia and Taiwan (ADN 2019/127).

I have considered your request and the reasons given for requesting the extension and agree to an extension of 35 days to provide the reinvestigation report.

In granting this extension, I have had regard to the reasons expressed in your letter namely that it has taken longer than anticipated to analyse, and make preliminary findings on, the additional information provided by interested parties. I also note that you need the further time in order to provide procedural fairness by publishing a preliminary reinvestigation report and inviting submissions in response to it.

The reinvestigation report should now be provided on or before **Thursday, 9 July 2020**.

Yours sincerely,
