Anti-Dumping Review Panel
Attention: Jaclyne Fisher
c/- ADRP Secretariat, Legal Services Branch
Department of Industry, Science, Energy and Resources

CANBERRA CITY ACT 2601

Dear Ms Fisher,

**ADRP Review Nos. 2019/120 and 2019/121
Hot Rolled Structural Sections exported from Japan, the Republic of Korea,
Taiwan (except for exports by Feng Hsin Steel Co Ltd)
and the Kingdom of Thailand (cases 499 and 505)**

The reinvestigation reports in relation to Anti-Dumping Review Panel (ADRP) Review Nos. 2019/120 and 2019/121 of hot rolled structural sections are currently due to the ADRP by Friday, 7 August 2020.

I request a further extension of 56 days (to Friday, 2 October 2020), to provide my reinvestigation reports to the ADRP. I request this extension on the following grounds:

- as a result of the recalculation of dumping margins, further analysis is required to assess whether the continuation of the measures is appropriate for certain exporters; and
- I propose to publish a preliminary reinvestigation report and will consider all submissions received within a reasonable timeframe in response, to provide interested parties with procedural fairness.

Please contact the case manager at investigations1@adcommission.gov.au directly, should you require any clarification.

Yours sincerely
