*Customs Act 1901*

Notice under section 269ZZM(4)

**Hot Rolled Structural Steel Sections exported from Japan, the Republic of Korea,  
Taiwan (except for exports by Feng Hsin Steel Co Ltd) and the Kingdom of Thailand**

The Anti-Dumping Review Panel (ADRP) has completed a review of a decision which I, KAREN ANDREWS, Minister for Industry, Science and Technology made under subsection 269ZDB of the *Customs Act 1901* in respect of Hot Rolled Structural Sections exported from Japan, the Republic of Korea, Taiwan (except for exports by Feng Hsin Steel Co Ltd) and the Kingdom of Thailand (the Reviewable Decision). The Reviewable Decision was published on the Anti-Dumping Commission (ADC) website on 11 November 2019 (ADN 2019/125).

Applications for review of the Reviewable Decision were made by OneSteel Manufacturing Pty Ltd, Siam Yamato Steel Co Ltd (Siam) and Hyundai Steel Co., Ltd (Hyundai). A copy of the applications are available on the ADRP website at [www.adreviewpanel.gov.au](http://www.adreviewpanel.gov.au).

On 15 February 2021, the ADRP made its report to me (ADRP Report No. 120). A copy of this report is available on the ADRP website. Any confidential information contained in ADRP Report No. 120 has been removed from the version available on the ADRP website. If your confidential information forms part of ADRP Report No. 120, you can request a copy of your confidential information from the ADRP Secretariat via the details available on the ADRP website.

The ADRP has recommended that the Reviewable Decision be **revoked** and substituted with a decision in the same terms, except that:

- the non-injurious price (NIP) for Hyundai be changed;
- the NIP for uncooperative exporters and all other exporters from Taiwan be changed;
- the NIP and the ascertained normal value be changed for Siam, resulting in a dumping margin of 8.3 per cent;
- the NIP and ascertained normal value for TS Steel Co. Ltd (TS Steel) be changed, resulting in a dumping margin of negative 4.3 per cent; and
- the NIP and ascertained normal value for Tung Ho Steel Enterprise Corporation (Tung Ho) be changed, resulting in a dumping margin of negative 5.8 per cent.

I, KAREN ANDREWS, Minister for Industry, Science and Technology have considered and accepted the recommendations, and reasons for the recommendations, made by the ADRP in ADRP Report No. 120, including all material findings of fact or law as set out in ADRP Report No. 120.

Therefore, in accordance with section 269ZZM(1)(b) of the *Customs Act 1901*, I **revoke** the Reviewable Decision and substitute a new decision as recommend by the ADRP. The substituted decision is to have effect as follows:

- For Siam: from the date of publication of this notice.
- For Hyundai, TS Steel, Tung Ho and uncooperative exporters and all other exporters from Taiwan: from the date on which the Reviewable Decision was specified to take effect, being 11 November 2019.

Applications for review of this decision under the *Administrative Decisions (Judicial Review) Act 1977* should be made to the Federal Court of Australia within 28 days of:

- If you obtain a copy of your confidential information forming part of ADRP Report No. 120 – receipt of that confidential information; or
- Otherwise – the publication of this notice.
