Canberra ACT 2601

Dear Commissioner,

ADRP Review No. 120 and ADRP Review No. 121 Hot Rolled Structural Steel Sections exported from Japan, the Republic of Korea, Taiwan (except for exports by Feng Hsin Steel Co Ltd) and the Kingdom of Thailand

I refer to your letter dated 12 June 2020 requesting an extension of time to provide your reinvestigation reports in relation to Hot Rolled Structural Steel Sections exported from Japan, the Republic of Korea, Taiwan (except for exports by Feng Hsin Steel Co Ltd) and the Kingdom of Thailand: ADRP Review No.s 120 and 121.

I have considered your request and agree to an extension of 53 days to provide the reinvestigation reports.

In granting this extension, I have had regard to the reasons expressed in your letter relating to:

- The Anti-Dumping Commission (the Commission) recalculating the normal value for a number of exporters;
- The need for you to consider whether the continuation of the measures is appropriate for certain exporters; and
- Your intention to publish a preliminary reinvestigation report and consider any submissions in relation to that report.

The reinvestigation report should now be provided on or before **Friday, 7 August 2020**.

Yours sincerely,
