Dear Commissioner,

ADRP Review No. 126 Hollow Structural Sections exported from the Kingdom of Thailand

I refer to Anti-Dumping Review Panel (ADRP) Review No. 126 concerning Hollow Structural Sections exported from the Kingdom of Thailand (ADN 2020/070). As you are aware, I am conducting the review.

On 10 November 2020, I required a reinvestigation of certain findings in Report No. 532 pursuant to section 269ZZL of the *Customs Act 1901*. I subsequently granted three extensions of time for you to report the result of the reinvestigation. The reinvestigation report is currently due on 2 September 2021.

On 28 July 2021, the Senior Member allocated ADRP Review No. 134 to me. In consideration of the overlapping statutory timeframes for both reviews, with further conferences still to be held, as well as the on-going impact of the COVID-19 pandemic, I have decided to specify a new date for you to report the result of the reinvestigation.

I hereby extend the period of time by 14 days. The reinvestigation report should now be provided by **Thursday, 16 September 2021**.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Blumberg'.
