Dear Commissioner,

ADRP Review No. 126: Hollow Structural Sections exported from the Kingdom of Thailand

I refer to your letter of 28 July 2021 requesting a longer period to provide a report on the reinvestigation in relation to Hollow Structural Sections exported from the Kingdom of Thailand.

I have considered your request and reasons expressed for requesting the extension of time. I agree to an extension of 35 days to provide the reinvestigation report. The reinvestigation report should now be provided to the Review Panel on **Thursday, 2 September 2021**.

It should be noted that the extension granted is more than requested as the timeframe that had been suggested would conflict with the statutory timeframes of another ADRP review that was recently allocated to me.

Yours sincerely,
