Anti-Dumping Commission  
GPO Box 2013  
Canberra ACT 2601

Dear Commissioner,

**ADRP Review No. 126: Hollow Structural Sections exported from the Kingdom of Thailand**

I refer to your letter of 21 January 2021 requesting a longer period to provide a report on the reinvestigation in relation to Hollow Structural Sections exported from the Kingdom of Thailand.

I have considered your request and understand the reasons expressed for requesting the extension of time.

I agree to an extension of 130 days to provide the reinvestigation report. The reinvestigation report should now be provided to the Review Panel on **Tuesday, 8 June 2021**.

It should be noted that the extension granted is less than requested. If more time is required to provide the report due to the Commission's workload, I would be prepared to consider a further request for an extension of time, closer to this date.

Yours sincerely,
