Dear Commissioner,

ADRP Review No. 126: Hollow Structural Sections exported from the Kingdom of Thailand

I refer to your letter of 3 June 2021 requesting a longer period to provide a report on the reinvestigation in relation to Hollow Structural Sections exported from the Kingdom of Thailand.

I have considered your request and understand the reasons expressed for requesting the extension of time. At this stage, I am able to agree to an extension of 51 days to provide the reinvestigation report. The reinvestigation report should now be provided to the Review Panel on **Thursday, 29 July 2021**.

It should be noted that the extension granted is less than requested. If more time is required to provide the report, I would be prepared to consider a further request for an extension of time, closer to this date. In the meantime, please adjust your work timetable accordingly.

Yours sincerely,
