Title: ADRP Review No. 129: Certain Aluminium Extrusions Exported from China – Request for Conference [CU-Legal.FID3165467]

Dear Anti-Dumping Review Panel Secretariat

We act for the PanAsia Group with respect to the Group's application to the Anti-Dumping Review Panel (**ADRP**) for review of the decision of the Minister to secure the continuation of measures applying to Aluminium Extrusions exported from the People's Republic of China (ADN 2020/103).

In PanAsia Group's Application for Review, it requested a conference with the Review Panel pursuant to s 269ZZHA of the *Customs Act 1901* (Cth). The Commissioner of the Anti-Dumping Commission, in his submissions dated 22 December 2020, also indicated that he "*would be happy to participate in a conference*" if the Review Panel considered it appropriate.

We kindly request and consider that it would be appropriate for the Review Panel to hold a conference in this matter given the importance of the matter to our client and the intersection of this Review with the PanAsia Group's ongoing Assessment Applications.

We are available at the ADRP's convenience for any conference.

Regards
