Customs Act 1901

Notice under section 269ZZM(4)

**Reconsideration of Certain Hollow Structural Sections exported from the People's
Republic of China by Tianjin Youfa Steel Pipe Group Co Ltd**

The Anti-Dumping Review Panel (ADRP) has completed a reconsideration of the decision by the former Assistant Minister for Science, Jobs and Innovation made under subsection 269ZDB(1)(a)(iii) of the *Customs Act 1901* in respect of Certain Hollow Structural Sections (the Goods) exported from the People's Republic of China (China) (the Reviewable Decision). The Reviewable Decision was published on the Anti-Dumping Commission (ADC) website on 18 April 2018 (ADN 2018/74).

The ADRP recommenced its review of the Reviewable Decision as it related to the Goods exported from China by Tianjin Youfa Steel Pipe Group Co Ltd (Tianjin Youfa) following orders from the Federal Court of Australia that the then Minister for Industry, Science and Technology's decision and ADRP's report in respect of Review No. 88 be set aside in so far as it related to Tianjin Youfa. The matter was remitted to the ADRP for reconsideration according to law.

On 5 March 2021, the then Minister for Industry, Science and Technology received the ADRP's report (ADRP Report No. 88A). A copy of this report is available on the ADRP website. Any confidential information contained in ADRP Report No. 88A has been removed from the version available on the ADRP website. If your confidential information forms part of ADRP Report No. 88A, you can request a copy of your confidential information from the ADRP Secretariat via the details available on the ADRP website.

The ADRP has recommended that the Reviewable Decision be **revoked** as it relates to Tianjin Youfa and substituted with a new decision that fixes a different normal value for Tianjin Youfa, resulting in a dumping margin for Tianjin Youfa of 4.2 per cent.

I, CHRISTIAN PORTER, Minister for Industry, Science and Technology have considered and accepted the recommendations, and reasons for the recommendations, made by the ADRP in ADRP Report No. 88A, including all material findings of fact or law as set out in ADRP Report No. 88A.

Therefore, in accordance with section 269ZZM(1)(b) of the *Customs Act 1901*, I **revoke** the Reviewable Decision in so far as it relates to Tianjin Youfa and substitute a new decision as recommend by the ADRP. The substituted decision is to have effect from the date of the Reviewable Decision, being 6 June 2018.

Applications for review of this decision under the *Administrative Decisions (Judicial Review) Act 1977* should be made to the Federal Court of Australia within 28 days of:

- If you obtain a copy of your confidential information forming part of ADRP Report No. 88A – receipt of that confidential information; or

- Otherwise – the publication of this notice.

The Hon Christian Porter MP
Minister for Industry, Science and Technology
