Anti-Dumping Review Panel

**Extension of Time for the Anti-Dumping Review Panel to complete Review No. 134:
Ammonium Nitrate exported from the Russian Federation**

On 19 July 2021, the Anti-Dumping Review Panel (Review Panel) published, under subsection 269ZZI of the *Customs Act 1901* (the Act), a notice of its intention to conduct a review of the decision of the Minister for Industry, Science and Technology (the Minister) made under subsection 269ZHG(1)(a) of the Act in respect of Ammonium Nitrate exported from the Russian Federation (the Reviewable Decision).

Unless the Review Panel requires a reinvestigation, subsection 269ZZK(3) of the Act provides that the Review Panel must provide its report to the Minister within 60 days after the public notification of the review under section 269ZZI of the Act, or such longer period allowed by the Minister in writing because of special circumstances.

Pursuant to subsection 269ZZK(3)(b)(i) of the Act, the Minister allowed a longer period for the Review Panel to provide its report to the Minister because of special circumstances. The Review Panel's recommendation is now due to the Minister by **22 October 2021**.

Persons wishing to make further inquiries about this review should contact the Review Panel Secretariat either via telephone on (02) 6276 1781 or via email at ADRP@industry.gov.au.
