Dear Joan,

ADRP Review No.144 - Consumer Pineapple exported from the Republic of the Philippines and the Kingdom of Thailand

I refer to your letter of 8 April 2022 approving an extension of time to complete my reinvestigation of certain findings in *Anti-Dumping Commission Report No. 571 & 572*.

In your letter you agreed to an extension until 14 June 2022 to provide the final report. I am seeking a further extension of 10 days until 24 June 2022 to complete my reinvestigation and report my findings. I seek this extension for the following reasons:

- I published a preliminary reinvestigation report on 27 May 2022 and have received submissions in response. Further time is required for the Anti-Dumping Commission to consider the submissions received and to conduct further analysis on the relevant data.

Please contact the case manager at investigations2@adcommission.gov.au directly, should you require any clarification.

Yours sincerely
