Dear Mr McDonald

Review Application by BlueScope – Subsidisation of Hot Rolled Steel from China – Section 269ZZL(1) request

I refer to the letter from the Commissioner of the Anti-Dumping Commission dated 26 March 2014 requesting an extension to the time period allowed for the reinvestigation of certain findings in Report 198.

Your request for assistance from the Anti-Dumping Commission (Commission) initially specified 22 April as the due date for the report and you kindly extended this date to 9 May 2014.

Unfortunately, the Commission will be unable to meet this extended timeframe due to an unprecedented workload.

Notwithstanding the current workload, the Commission appreciates the important role of the Anti-Dumping Review Panel, and will endeavour to have the re-investigation report to you as soon as possible but no later than 16 May 2014.

I do apologise for the delay and seek your further indulgence in this matter.

If you wish to discuss this request further, please contact either myself, or Ms Kerry Taylor on ph: 03 9244 8844.

Yours sincerely

Lisa Hind
