Dear Ms Fitzhenry

**STEEL REINFORCING BAR EXPORTED TO AUSTRALIA FROM  
THE REPUBLIC OF KOREA, SINGAPORE, SPAIN AND TAIWAN  
(INVESTIGATION NO. 264)**

Thank you for your notification of the ADRP's proposal to conduct a review of the Reviewable Decision in relation to Investigation No. 264 (steel reinforcing bar). I understand that this review was initiated after the receipt of applications from Celsa Nervacero S.A. (Celsa Nervacero), Best Bar Pty Ltd (Best Bar) and OneSteel Manufacturing Pty Ltd (OneSteel).

The Commission has prepared a submission in response to the issues raised by Celsa Nervacero, Best Bar and OneSteel in a non-confidential form (see Attachment A) and a confidential form (see Attachment B). The Commission considers that this letter and Attachment A are suitable for publication.

Given the nature and extent of the claims I would also like to offer assistance in the form of a meeting or teleconference as soon as practicable to provide further clarification or relevant material should you so require.

Yours sincerely
