### *Discussion*

The Panel Member indicated that in answering Question 10 of the application, it is useful to have a statement/s that is suitable for use in the public notice of the initiation of a review. For this reason, Mr Percival was asked to provide a suitable set of statements. The Panel Member clarified it is only to extract from the information already contained in Questions 10-12.

Mr Percival confirmed that he would consider what elements such statements should contain and respond to the Secretariat by COB 23 June 2017<sup>1</sup>.

<sup>1</sup> An extension was requested and granted for submission by 27 June 2017, but the original date was the 23 June 2017.
